

WINNING TOGETHER

Estd:2000

Committed to excellence.

## We are Kemsol.

Established in 2000 at Jebel Ali Free Zone – Dubai, Kemsol has emerged as one of the leading importers & distributors of Chemicals & Polymers. Part of the Crescent group with over 5 decades of expertise in import and distribution, Kemsol has built business relationships based on trust, and grown as a preferred, reliable partner to clients in the MENA region and Globally.

### Kemsol Advantage for Suppliers:

Kemsol has been associated with various globally renowned manufacturers and suppliers as their reliable partner, and has exceeded their expectations in terms of performance. Kemsol assures a solid commitment with the strength of a qualified and experienced sales team that understands and delivers to the market needs. Add to this, the required expertise in business development that constantly improves the market share. This is supported by our large state-of-the-art storage facilities for handling Hazardous and Non-Hazardous products along with bulk tanks in Jebel Ali. Kemsol assures an efficient re-distribution service in the MENA region.

### Kemsol Advantage for Customers:

Kemsol brings in value addition in the supply chain by maintaining stock throughout the year assuring availability as per client requirement. As a highly reliable partner, Kemsol ensures the same quality as per the specification offered by manufacturer across a basket of products. The experienced & expertise of the team at Kemsol ensures seamless service of highest standards thereby assuring on-time deliveries.

## PRODUCT RANGE

Acid - Acetic / Formic / Phosphoric	Ethanol ( Technical / 95% )	Methoxy Propyl Acetate	Solvent Naptha 100/150/200
Acetone / MEK / MIBK	Ethyl Acetate	Methylene chloride	White Spirit
Benzyl Alcohol	Glycerine	MPG / DPG / TPG	Stearic Acid / CPW
Butyl Acetate	Hexane	N Butanol / Isobutanol	Toluene
Butyl Acrylate	IPA/ IPA Tech/ IPA 85%	N Propanol	Xylene (Isomer grade)
Butyl Glycol	Maleic / Pthallic Anhydride	N Propyl Acetate	ABS / ASA
Cyclohexanone	MEA / DEA / TEA	Phenol	HDPE / LDPE / LLDPE
Di Basic Ester	MEG / DEG / TEG	PMMA / MMA	PA6 / PA66 / PBT
DOP/DINP/DOA	Methanol	Prop BH	PP / PVC
Ethanol ( 99.9 % & 99.99 %)	Methoxy Propanol	Sabutol	SAN / EPS / GPPS

Acid Thickeners	BKC 50 / 80	Fatty Oil Ethoxylates	Phenoxy Ethanol
Acrylic Binders	CMEA / CDEA	Galvanizing Chemicals	Polysorbates
Activated Carbon	Coalescing agent	GMS / EGMS / EGDS	Preservative - In Can / Dry Film
Adhesion Promoter	Defoamer - Powder / Liquid	Ion Exchange Resin	Silanes
Alcohol Ethoxylates - Fatty / Synthetic	DETPRO 2040 CP	LAO-30 / OLA-020	Silicon Elastomers-LSR / HCR
Amine cross linkers (MF Resins)	DETPRO ARD	NP4 / NP6 / NP9 / NP10	Silicon Masterbatch
Anti settling agent	DETPRO Wash / Polydet Ultra	Paraffinic Solvent	Silicon Resin- Expearl / TSR
Antioxidants	EO-PO Co-polymer	PEG - 200 to 10,000	SLES
Antiwebbing	Fabric softner	Pearlising agent	UV / Light Stabilisers
APEO Free Surfactant	Fatty Ethoxylates - Acid / Amine	pH stabiliser	Wetting Agent

Expect world-class solutions.
